

Manning Regional Healthcare Center (MRHC) CHNA - HIP FY2016 Implementation Plan

The MRHC CHNA - HIP FY16 addresses the community wide health needs and priorities as identified during the community health needs assessment process. Based on the feedback from the survey, committees were created, goals were set, and strategies were put into place in order to meet the needs of the community. The implementation strategy is outlined below.

Community Health Needs Assessment/Community Health Improvement Plan
